

GROWING YOUR BUSINESS THROUGH DIGITAL ADVERTISING & SOCIAL MEDIA

This is your exclusive invitation to attend a featured workshop on How to Grow your Business through Digital Advertising & Social Media.

Digital Advertising & Social Media is radically changing the way your clients interact with your business. 2 in 5 Australians are now using the internet to find products and services.

Learn How & Why to use sites such as Facebook, Twitter and Guvera to retain your existing customers and create new business.

Discover what value your getting from your website and learn how to increase the traffic to your site.

Learn how to use Search Engine Optimisation to increase NEW Customer Acquisition.

Learn how to build a social media Brand Channel for FREE!

This 1 hour workshop run by AMMA Digital Advertising will help you to start your Digital Advertising & Social Media Campaign.

We encourage you attend this highly informative event, developed for businesses looking to grow in the 2010/2011 Financial Year.
